

A large, stylized red letter 'S' is the central focus of the image. It is set against a dark blue background with a fine, pebbled texture. The 'S' is composed of a solid red shape with a thin blue outline. The letter is positioned diagonally, starting from the top left and ending at the bottom right. The word 'SUSQUEHANNOCK' is printed in white, uppercase, sans-serif font across the lower portion of the red 'S'.

all the fun  
and songs  
you wish  
to a really  
great guy in the  
Union class. Remember  
those neat times we  
had in band. Remember the  
fun on the band bus singing those  
songs. Keep your singing those  
songs. Remember that personal-  
basketball team next year. May  
your wishes come true. HHH Karen

## *Our Dedication*

We, the Senior Class of 1973, proudly dedicate our Susquehannock to a person who has unselfishly given so much of his time and energy for the improvement of our class.

A good teacher has many roles to play: leader, advisor, educator, and most of all, a true friend.

With much pride, we dedicate our Yearbook to a person who we feel has played all of these roles beautifully, MR. ROBERT STONER.

Liked entertainment at an early age.

"I wish that when I get big, I will conduct an orchestra at Carnegie Hall."

Looking to the future at Millersburg, notice the drum and even the hint of the Ferry.

... and as another routine day begins at Lansdowne Alden High, we hear one student remark to another, "Bob, we simply MUST do something about this dress code!"

"When you're as big as I am, Santa gives you anything you want."

"Why sure, Mr. Nixon, I'm sure we could march at your inauguration... for a small fee."

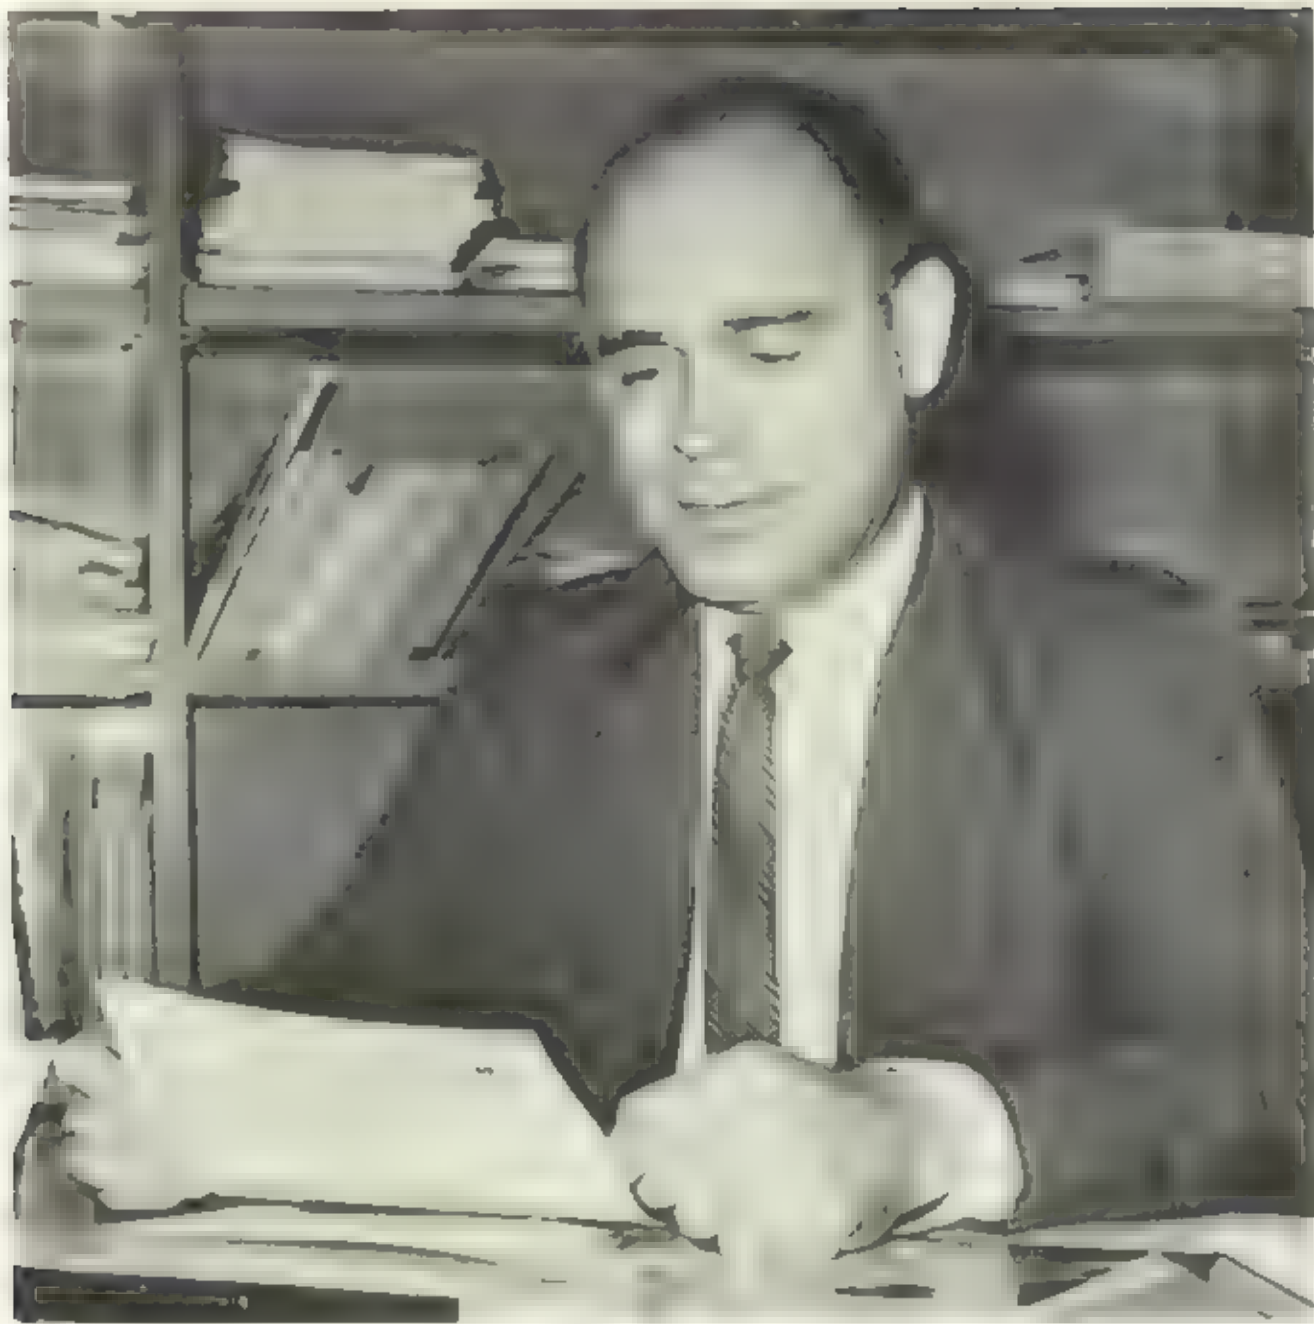

## ***MILLERSBURG AREA BOARD OF EDUCATION***

SEATED: Mr. Thomas Miller, Mr. Harold Knarr, Miss Frances Cummings, Mr. Robert Rissinger, Mr. Earl Burris, Mr. Rufus Romberger, Mr. Marvin Troutman. STANDING: Mr. Ronald Boyer, Mr. Michael Wilt, Mr. Stanley Bailey, Mr. Martin Seecof. ABSENT: Mr. Allen Shaffer.

### *Mr. Earl C. Burris, Superintendent*

The American way of life has as one of its principles the fact of work. Even if you follow the Hedonist in believing that pleasure is the only good, you have to do some work to make the pleasure possible. One is expected to contribute economically, socially, and culturally. Having mastered the daily routine of living within this pattern, then we go on to fill our lives with personally rewarding experiences.

Of what does a full life consist? First of all, it requires that you be awake and active. It requires that you stretch your mind muscles so as to grasp and comprehend much that has not been forced upon you. It requires that you see and appreciate beauty. It requires that you stand on your own two feet, measuring up to life's demands, while at the same time you bow in awe of life's unexplained mysteries. As you progress from youth to adulthood you will learn to adjust to the circumstances of your new life so that you fit into the total situation. Insofar as you adapt yourself intelligently, you are master of your fate.

The time has come to grow up, and growing up consists mainly of bringing random impulses under control and coordinating activities. The mature world, whether business, professional, or technical, has no use for youth who enter it glorifying infantilism. Do not be afraid of getting wrinkles on your face in the process of developing maturity. There is nothing less interesting than a face on which life has written no story.

To the class of '73", we wish the utmost success. May we have taught you well, and may we ever be proud of your future achievements as we have been of your past accomplishments academically, athletically, aesthetically and literarily. You have been a credit to the Millersburg Area School District and Community.

MR. JAMES BULLOCK  
High School Principal

#### To the Class of 1973

I wish to express my sincere congratulations on having reached this plateau of life. This Class has learned some of the ups and downs of life by having to make a number of adjustments during the last two years brought about through school construction. You have accepted these adjustments in stride.

In future years when you have a few moments to reflect about your school days, we hope the memories of your alma mater are warm and pleasant.

Good Luck and Best Wishes in your future pursuit in life.

### *Dennis Matter*

Death, be not proud, though some have called thee  
Mighty and dreadful, for thou art not so:  
I or those whom thou think'st thou dost overthrow  
Die not, poor Death; not yet canst thou kill me.  
From Rest and Sleep, which but thy picture be,  
Much pleasure, then from thee much more must flow;  
And soonest our best men with thee do go –  
Rest of their bones and souls' delivery!  
Thou'rt slave to fate, chance, kings, and desperate men,  
And dost with poison, war, and sickness dwell;  
And poppy or charms can make us sleep as well  
And better than thy stroke. Why swell'st thou men?

One short sleep past, we wake eternally,  
And Death shall be no more: Death, thou shalt die!

A well-deserved congratulations goes to you, our Terrific Indian Football Team! You have succeeded, where others before you have failed, in pulling Millersburg football up from the lower ranks in the league. As the tension and excitement built up to that one special day, the outcome for many Millersburg fans seemed a tragedy. However, through good team play and unity, respect and terrific sportsmanship, you have shown yourselves to be true champions. Congratulations!

Present:  
Homecoming '72*

Jan Womner, 1971 Queen Judy Morlock, Senior Attendant Bonnie Boyer, 1972 Homecoming Queen Jactia McFar, Junior Attendant

Do you think this'll go further than a H-b-y Deleville H-b-y  
Corners d. Custer's backyard e. none of the above

Aw please give me a piggy back ride

And the preserving parents take a bow

You mean we went to the Earth Camp for a week just to learn  
how to dance the "Nutcracker Suite".

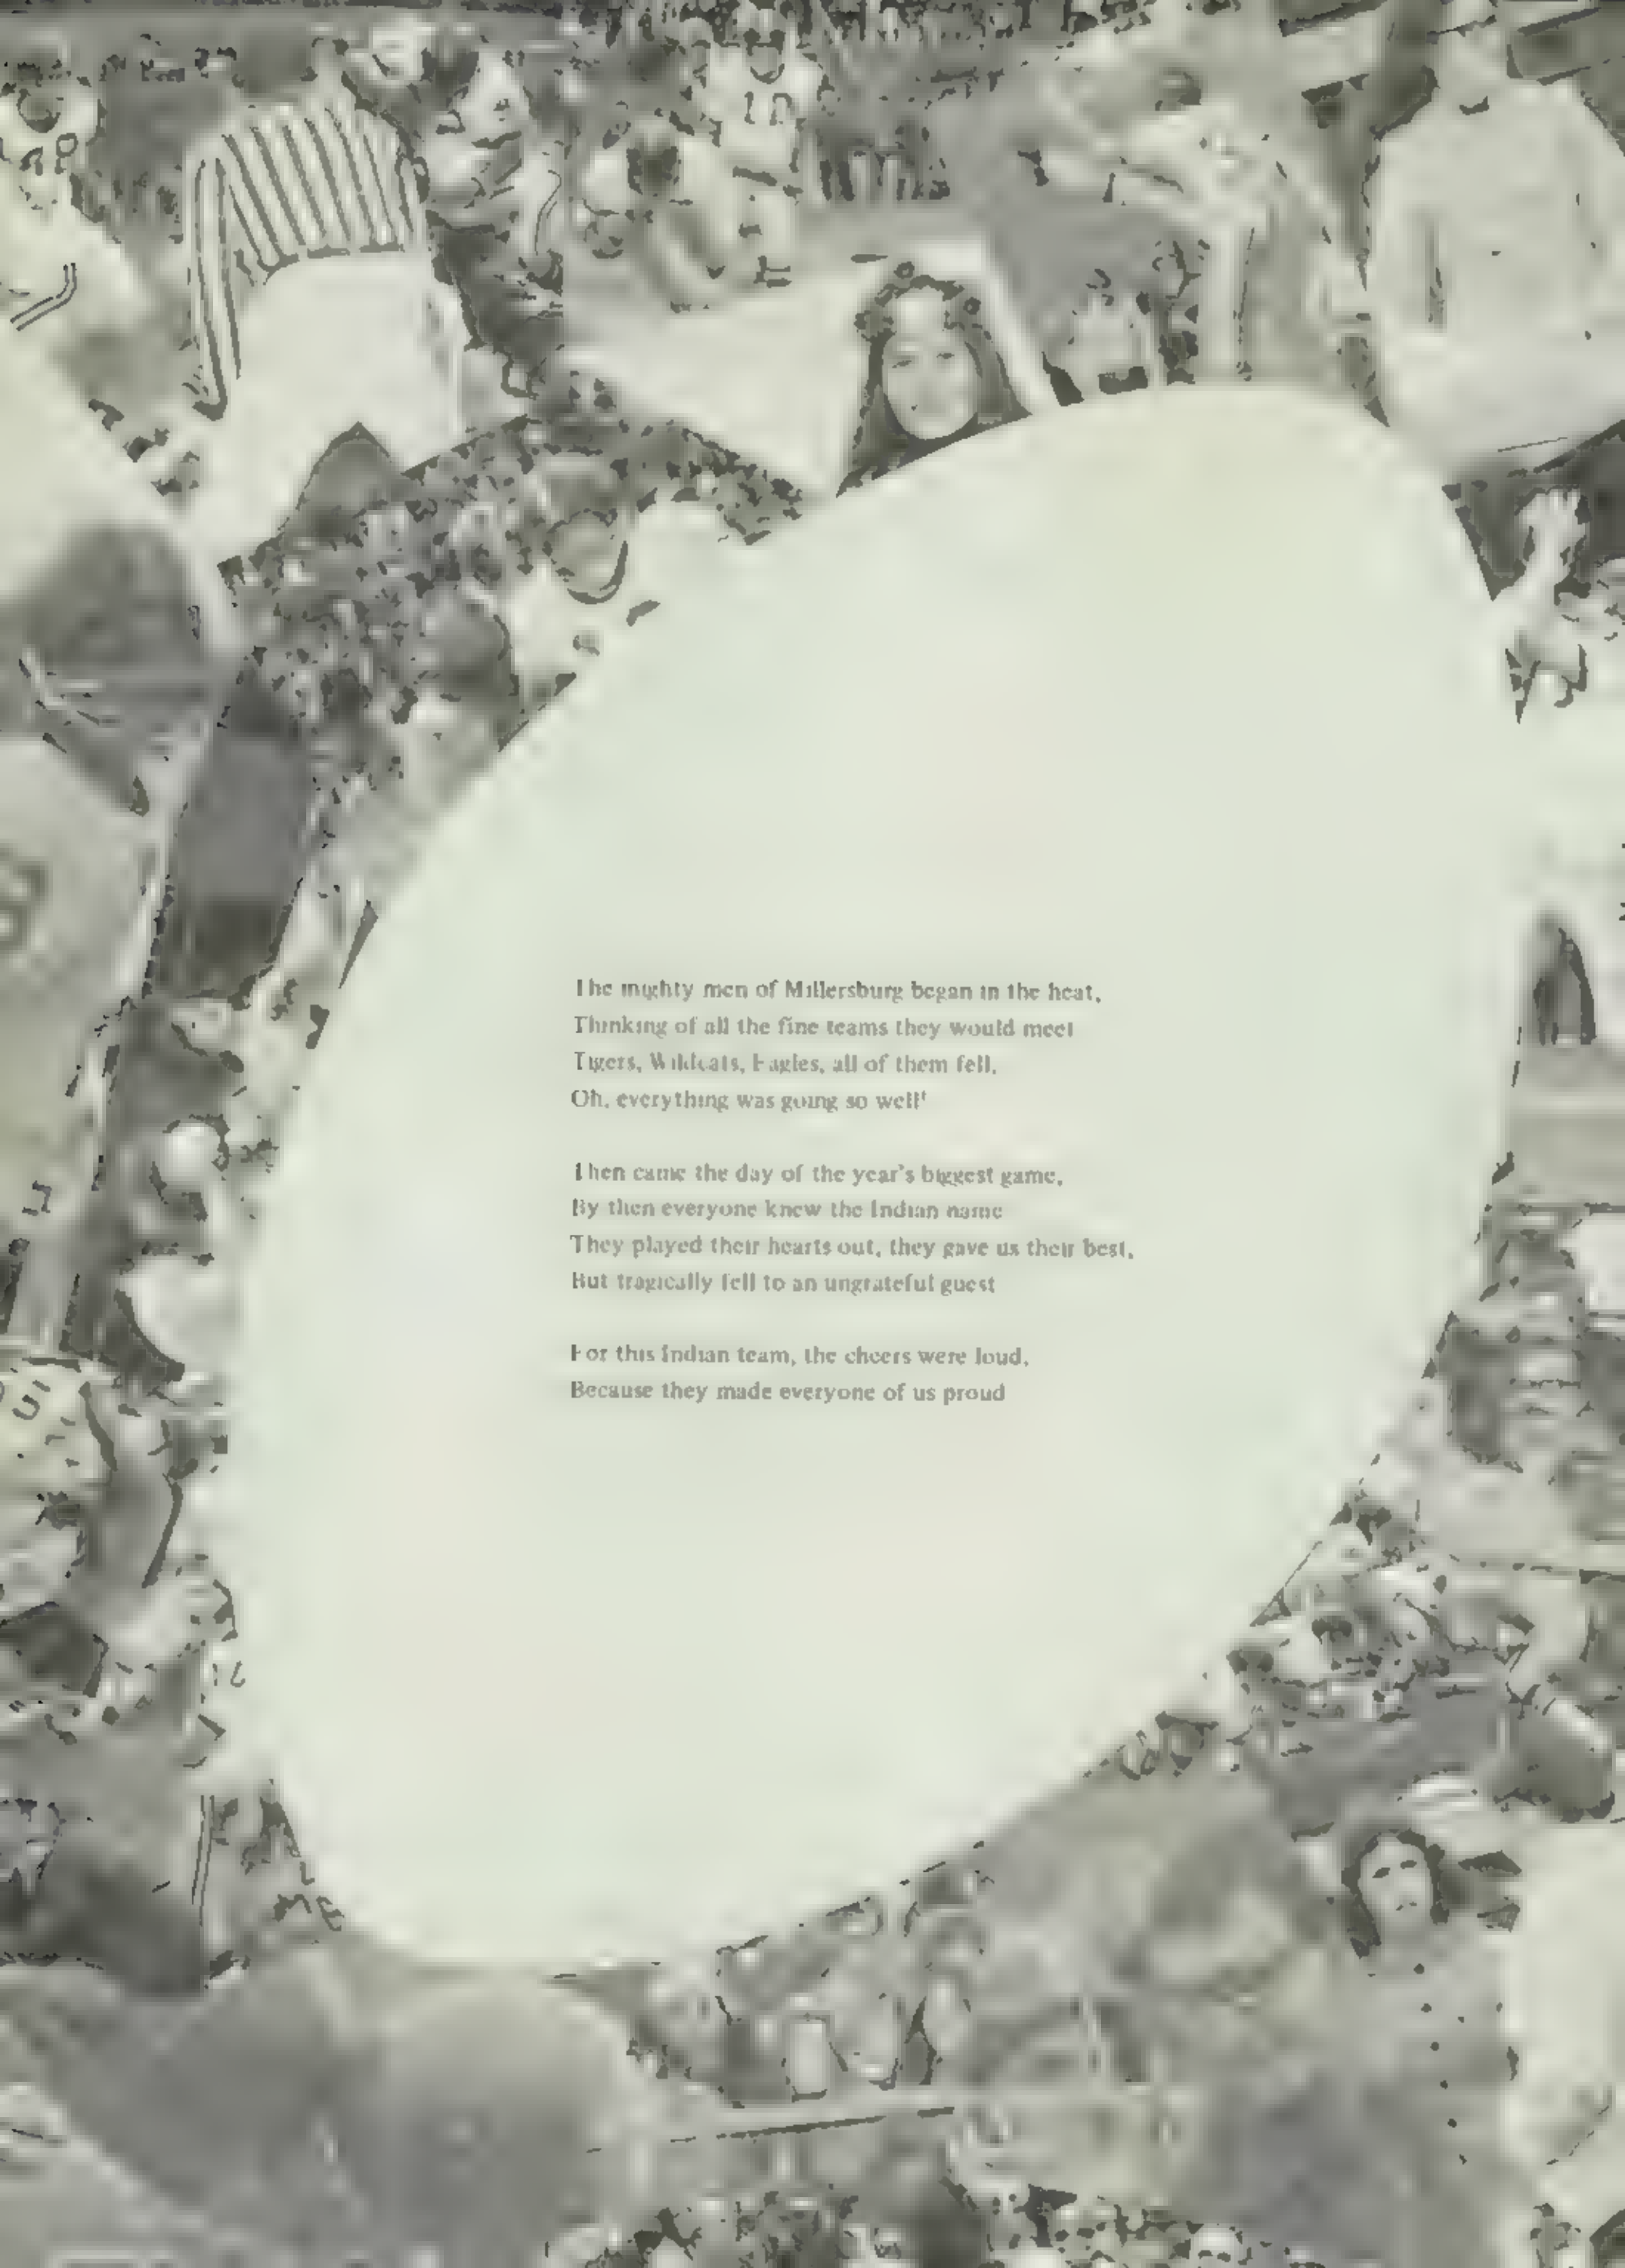

Naptime's over, boys.

Absolutely no words necessary!

The mighty men of Millersburg began in the heat,  
Thinking of all the fine teams they would meet  
Tigers, Wildcats, Eagles, all of them fell,  
Oh, everything was going so well!

Then came the day of the year's biggest game,  
By then everyone knew the Indian name  
They played their hearts out, they gave us their best,  
But tragically fell to an ungrateful guest

For this Indian team, the cheers were loud,  
Because they made everyone of us proud

In winter the sports action moved to the gym,  
Where many shots found their way to the rim  
The play of the team caused the people to cheer,  
And the Indians felt they had nothing to fear

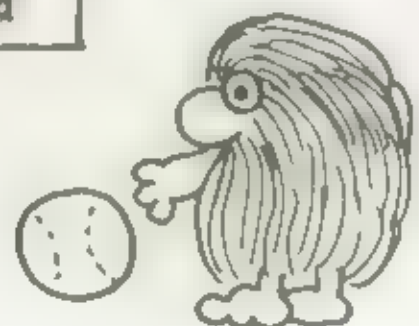

Many months later, the season soon o'er,  
The Mighty Indians continued to score  
To our skillful team, for the games they've won,  
Our congratulations for a job well done!

"Tom, where are those pictures?" "You've only got two days to do ten pages!" "Aimee, help me think of a caption for this one." "Pass the rice krispie candy, please." These were some of the comments heard at our many yearbook meetings this year. The staff has worked very hard to make this the most exciting and different Susquehannock ever. You've probably noticed some changes already: the football and basketball pages, the new chorus lay-out, the candida throughout the ad pages, and the brand new cover. The staff and our terrific adviser, Mrs. Stetz, have put a lot of time, frustration, energy, and fun into this yearbook. We hope you get just as much out of it!

# WONDERFUL TOWN

"This is just the place for you!"

"Eileen I think I'm going to be sick."

"His hand feels like a mashy banana split."

"You guys sound like a bunch of pregnant cows."

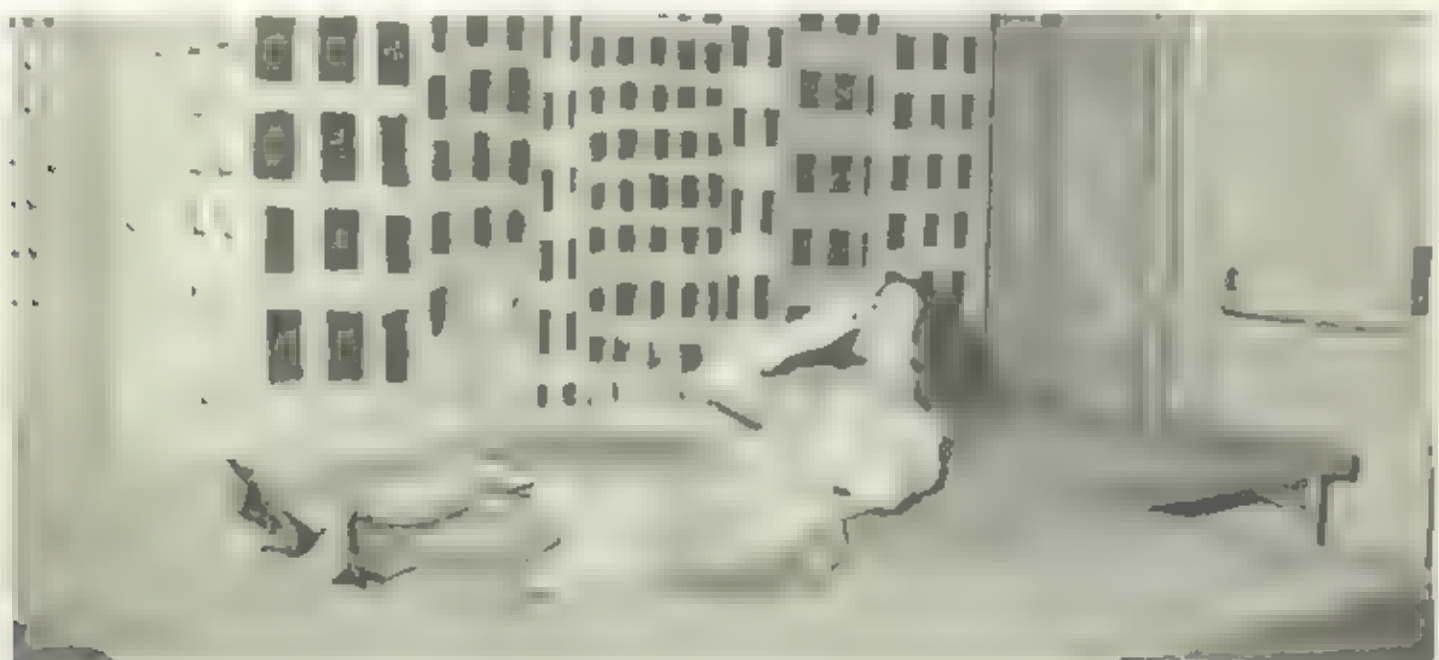

"Maybe what I have isn't ordinary dandruff"

"I wish he'd put down that gun and pick me up"

"Somebody help, my hand just went through the drum head"

"It sure doesn't look like tomato juice"

"What's a gut gut bucket anyhow?"

"Swing it!"

"Tell that lady in the front row to sit down!"

"I'm ready when you are"

"What a waste!"

"I wish he'd kiss MY hand "

"My leg makeup's not running how about yours?"

"Look ma, only one cavity "
